## Making your Success, our Priority!

**Empire Fasteners LLC** is a trusted value-added supplier to the Defense, Aerospace and Industrial markets since 1969. While the company has consistently grown organically, the focus has remained the same. By utilizing our 100+ years of knowledge and remaining focused on customized solutions, Empire has grown 30% each year since new ownership in 2014. Empire has an impeccable reputation of service. No matter how large or small the demand, Empire is dedicated to your success, not only supporting hardware procurement requirements, but anticipating and suggesting offerings to support your lean initiatives and soft cost savings.
